

Savotta's Menu Suggestions from 1 October 2024

Restaurant Savotta by the Senate Square takes you on a nostalgic trip of Finland's past decades. Both the authentic interior and the dishes served in original style are inspired by the Finnish forests and thousands of lakes. Savotta's kitchen cherishes the Finnish food traditions with a dash of Finnish "sisu" and logging traditions, and it uses ingredients from our pristine forests, lakes and fields. Welcome to enjoy!
